Raminder Grewal. is an EY Entrepreneur of the Year® 2018 Pacific Region finalist!

Burnaby, BC: Keystone Environmental Ltd., the go to environmental consulting firm, announced today that Raminder Grewal, President, is an EY Entrepreneur of the Year® 2018 Pacific Region finalist.

“I am honoured to be named a finalist for this award,” said Raminder Grewal, President of Keystone Environmental. “While Keystone Environmental works hard to help our clients create workable, easy-to-maintain solutions for their business needs, we never lose sight of the role that our employee’s play in the company’s success. At Keystone Environmental we believe every employee’s opinion counts and that we all participate directly in the success of the company. Thank you to all of our incredible employees for their hard work and dedication.”

Grewal believes having a career at Keystone Environmental is more than just about working hard for our clients and the environment; it’s about personal development as well as professional development. Keystone Environmental has enjoyed many years of growth and continues to expand its client base and service offerings in addition to developing annual career development goals for each employee.

EY Entrepreneur of the Year is the world’s most prestigious business award for entrepreneurs. The unique award makes a difference through the way it encourages entrepreneurial activity among those with potential and recognizes the contribution of people who inspire others with their vision, leadership and achievement. As the first and only truly global award of its kind, Entrepreneur of the Year celebrates those who are building and leading successful, growing and dynamic businesses, recognizing them through regional, national and global awards programs in more than 145 cities in more than 60 countries.
